

Putting The Actuation Package Together

Join Lisa Hall again next **Tuesday, September 29th** as she conducts the follow-up to her MV Actuation Introduction. In the second session, Lisa will provide a summary of the various details needed to quote an actuation package... What we need, and Why we need it. She will cover a quick overview of how to mount actuators, a description of actuator accessories and a review of some actuation projects.

You can register by clicking [**SESSION 2**](#).

Attending the first session is NOT required to benefit from this webinar, but you can catch the recorded version by clicking [**Intro to MV Actuation**](#).
