

VALUES STATEMENT

- We strive to always exceed customer expectations and provide service excellence. • We believe our people are the company's greatest asset and primary
- source of strength. • We expect honesty, integrity, accountability, commitment, and ethical values.
- We treat each other with respect and dignity to maintain a positive work environment.

- We foster diversity, encourage collaboration, promote ingenuity and embrace teamwork.
- We focus on new product development and seek continual improvement. • We view challenges as opportunities by embracing and driving organizational change.
- We take pride in our work and place extreme value on quality and safety.
- We maintain social awareness and contribute positively to our

communities and environment.

• We are competitive and passionate people who make time to have fun and celebrate successes.

• We view the future with an optimistic outlook for success!
